User Experience Designer

Profile

As a dedicated UX professional, I specialize in crafting seamless digital experiences that prioritize user satisfaction. With a strong foundation in design principles, extensive user research expertise, and a keen eye for detail, I am committed to enhancing product usability and engagement.

Studies

L'Institut Supérieur des Arts Appliqués 2022 - 2023

Successfully completed my Diploma in Graphic & Web Design with a specialization in UX/UI (Mobile), Motion Design, and Augmented Reality. Throughout my educational journey, I acquired a deep understanding of design principles, elements, and proficiency in various industry-standard design software and tools. This comprehensive program has equipped me with a diverse skill set and knowledge base, solidifying my readiness to excel in the dynamic field of design.

National institute of openschooling 2019 - 2022

Completed my senior secondary from NIOS with subjects like Psychology, Geography, Sociology, Political Science and English.

Experience

Medium Rare Design&Dev studio 2022-2023

Working as a Part time design consultant - starting from pitch decks to prototypes wearing hats with a good learning exposure.

Youtube live streamer 2020-2022

Youtube live streaming in the gaming category. Gained a very lively personality and good communication skill. I also worked as a streamer for a live streaming app.
